DESIGN EXPERIENCE

Design Interactive

Branding Director

Davis, CA

February 2026 - December 2026

- Establishing Design Interactive's branding on internal and external designs dedicated towards around one hundred active members
- Producing and distributing exclusive Design Interactive merchandise in order to expand outreach
- Collaborating with the creative team to design graphics and assets leading to successful, final designs

Altheros Capital

Graphic Design Intern

Los Angeles, CA (Remote)

January 2026 - August 2026

- Creating digital visual assets for several start-up businesses and companies, contributing towards their growth
- Coordinating with product managers and the design team to discuss design tasks, resulting in building communicative skills with peers in a professional environment

Include

Design Cohort Member

Davis, CA

October 2025 - March 2026

- Designed the user interface of two web pages for a student organization's website
- Gained experience working with user experience research, wireframing, and usability testing within Figma, resulting in proficiency with the platform
- Communicated and brainstormed with the design team, programming team, and client resulting in effective teamwork and feedback

Picnic Day

Graphics Assistant Director

Davis, CA

January 2024 - April 2025

- Designed pin designs worn by all Picnic Day teams and stickers to be given out to thousands of attendees
- Communicated with my graphics team and other teams working for Picnic Day, resulted in a successful execution of duties for the event
- Iterated and brainstormed designs and received feedback and approval from my peers leading to a strong, finalized design

SKILLS

Design: Advanced knowledge in Figma, Canva, and Procreate. Intermediate knowledge in Adobe Illustrator.
Computer: Advanced knowledge in Google Suite (Docs, Sheets, Slides) and Microsoft Office Suite (Excel, Powerpoint, Word). Beginner knowledge in HTML and CSS.
